Floating Support Service

Available Monday to Friday
9am - 5pm by arrangement

Our Floating Support Service offers flexible support to facilitate personal development. **We do this by:**

- Developing an individual support plan with you
- Helping you get to appointments where you require support (including dentist and doctor appointments, the Job Centre, Housing providers, court appearances, treatment services etc)
- Helping you to get your voice heard

If you would like support with an appointment, please talk to any member of our staff team. Please try and give as much notice as possible for appointments as this will help us organise the support.
